Heritage Building & Principal's Chamber	Located prominently in the front-center of the campus, directly straight ahead when entering from the Main Gate. It is flanked by lawns, pathways, and fountains.
Administrative Block & Parking Area	Positioned to the immediate left (West) of the Main Gate at the southern end of the campus.
Deptt. of Music	Located at the lower-left corner of the campus map, immediately adjacent to Gate G2 and south of the Zoology Block.

| 3. Special Facilities, Laboratories & Residential Units

Code / ID	Facility Name	Location Description
1	Washroom Blocks	Distributed across multiple convenient locations: (1) North-west of Zoology block, (2) South-east of Science block near the Botanical Garden, and (3) Adjacent to the Chemistry / New Block.
2	Gas Bank	Located on the right side of the campus, just north-west of the New Block/Chemistry area.
3	Food Tech. Lab.	Integrated directly inside the New Block on the eastern side of the campus.
4	Skill Centre	Situated at the lower-left corner of the campus, right next to Gate G2 and the Deptt. of Music.
6	Habbakhatoon Ethnobotany Elixir	A specific conservation or research area situated inside the Botanical Garden at the lower-right quadrant.
DPE	Deptt. of Physical Education	Located in the upper-central area, adjacent to the Multi-purpose Hall and Hall Canteen, north of the Arts Block.
MRC	Material Resource Centre	Located on the left perimeter path, situated between the Cafeteria and the Old Block.
WQ	Warden Quarter	Positioned at the western corner of the Girls Hostel complex.
FS	Female Staffroom	Located near the center-right area, directly adjacent to the Eco Park (EP) and the Reading Room , west of the Botanical Garden.
EP	Eco Park	A green space situated in the center-right section, flanked by the Female Staffroom, Reading Room, and the Botanical Garden.
–	Girls Hostel	A dedicated residential block located in the center of the campus layout, positioned between the Language Block (South) and the Psychology/Botany Block (North).
–	Cafeteria	Located at the upper-left section of the campus layout, directly next to Gate G3.
–	Botanical Garden	A large dedicated green zone situated in the lower-right/center-right section of the campus.
–	Multi-purpose Hall & Changing Room	Located at the northernmost point of the central campus block, north of the DPE and Hall Canteen.

4. Optimized Q&A Knowledge Base Dataset

The following natural language Question-Answer pairs are pre-compiled to train or populate a chat system's vector database:

Q: Where can I find the Arts Block?

A: The Arts Block is located in the upper center-right region of the campus loop. It is positioned directly north of the Science Block and east of the Psychology/Botany Block.

Q: Where is the Chemistry Block located?

A: The Chemistry Block is located on the far right (Easternmost) wing of the campus, situated within or adjacent to the New Block and near the Lawrence Bust landmark.

Q: How do I find the Computer Block or School of Science & Technology?

A: The School of Science & Technology is located on the far left (Westernmost) side of the campus, situated north of the Cafeteria and Gate G3.

Q: Where is the Principal's Chamber / Heritage Building?

A: The Heritage Building, which houses the Principal's Chamber, is located directly straight ahead from the Main Gate in the front-center of the campus.

Q: Where is the Girls Hostel and the Warden Quarter?

A: The Girls Hostel is in the central core of the campus, positioned between the Language Block and the Psychology/Botany Block. The Warden Quarter (WQ) is situated at the western end of the Girls Hostel structure.

Q: Where is the Food Tech. Lab located?

A: The Food Tech. Lab. (marked as 3 on the map) is located inside the New Block on the far eastern side of the campus.

Q: Where is the Parking Area and Administrative Block?

A: The Parking Area and the Administrative Block are located immediately to the left (West) of the Main Gate at the southern end of the campus.

Q: Where are the washrooms located on campus?

A: Washroom Blocks (marked as 1) are available at three main locations: near the Zoology Block/Old Block area (West), near the Science Block/Botanical Garden area (Center-Right), and near the Chemistry/New Block area (East).
